Morbi Nagar Darwaza

Nehru Gate is located at Morbi, Earlier its name was Nagar Darwaza in which 'Nagar' means 'city' and 'Darwaza' means 'door.' Later the name was changed to 'Nehru Gate' to pay courtesy to Pandit Jawaharlal Nehru. The exotic gate comes with a central clock tower, which still works. The gate is made out of stone and represents Rajput architecture.

The Nehru Gate is made out of stone using elements of Rajput architecture with central clock tower, while another one uses elements of western architecture and is capped by a three-storied cast iron frame structure with a dome.
